

## **APPRECIATION CEREMONY – VIETNAMESE TEACHERS’ DAY 20/11 FACULTY OF PUBLIC MANAGEMENT – REAL ESTATE**

“There is a profession where hands are covered with chalk dust,  
People say it is the noblest and purest of all.”

On the evening of November 16, 2024, the Youth Union and Student Association of the Faculty of Public Management – Real Estate successfully hosted the “Tri Ân Night – Celebrating Vietnamese Teachers’ Day 20/11” with the theme “Ánh Dương” (Sunshine). The event drew the enthusiastic participation of over 400 students, creating an atmosphere rich in meaning and emotion.

The dedication and passion of the performing teams played a pivotal role in the resounding success of the gratitude night. Each performance, from the purest melodies to the most graceful dances, was filled with heartfelt affection and deep gratitude for our silent mentors. Beyond honoring the noble image of teachers, the performances evoked profound emotions, leaving an unforgettable impression in the hearts of the audience about the sacred and warm bond between teachers and students.

On behalf of the Faculty Youth Union and Student Association, we would like to express our deepest appreciation to all lecturers of the Faculty of Public Management – Real Estate, our alumni, the University Youth Union and Student Association, fellow faculties, and all those who have always trusted and supported us throughout this event. We also extend our sincere thanks to every student who took the time to join and contribute to this meaningful celebration.

Finally, we wish all our respected teachers – the devoted “ferryman” – abundant health, endless joy, and continued success on your journey of nurturing knowledge and guiding generations of students.

*Some memorable moments from the event:*
