

Conference of the Alumni Liaison Committee of the Valuation and Real Estate Business Department for the 2024-2028 Term

On May 18, 2024, the conference of delegates from the Alumni Liaison Committee of the faculty of Valuation and Real Estate Business for the 2024-2028 term will be held at UFM's main campus. The event will take place in both in-person and online formats via Microsoft Teams. Attendees will include Dr. Nguyễn Thanh Hải, Head of the Student Affairs department and a member of the UFM Alumni Liaison Committee; Associate Professor Dr. Nguyễn Minh Ngọc, Deputy Head of the Faculty; Master Lê Minh Phương Mai, Deputy Head of the Division; Master Hoàng Tuấn Dũng, Deputy Head of another Division; along with faculty members from the faculty; esteemed alumni; and members of the Executive Committee of both the Department's Youth Union and Student Association.

The purpose of this conference is to summarize and evaluate the activities conducted by the Alumni Liaison Committee during its 2020-2024 term and to outline plans for activities in the upcoming 2024-2028 term. On behalf of the committee, MBA Đặng Hòa Kính will present a report highlighting significant activities involving alumni over recent years, marking their contributions to developing high-quality human resources in the fields of Valuation and Real Estate Business.

MA Dang Hoa Kinh presents a summary of the notable activities involving alumni from the Valuation and Real Estate Business Faculty during 2020-2024

At the conference, Associate Professor Dr. Nguyen Minh Ngoc shared the future directions and vision of the Department of Valuation and Real Estate Business. He expressed a desire to continue connecting with alumni from the department and emphasized the importance of their role in the development and growth of both the department and the university. The department is committed to providing an environment that allows students from all generations to meet, exchange ideas, share information, and support each other in their studies, careers, and lives. He hopes that the alumni association will continue to leverage its strengths to enhance the quality of education, engage in scientific research, and serve the community.

Associate Professor Dr. Nguyen Minh Ngoc shared the future directions and vision of the Faculty of Valuation and Real Estate Business.

To strengthen the development directions of the Alumni Association of the Valuation and Real Estate Faculty for the term 2024 – 2028, we have received numerous valuable contributions from alumni across different generations as well as current students. These insights are incredibly useful and highlight areas that need improvement, helping us refine our upcoming plans and activities for the Alumni Association.

Nguyễn Lộc Hạnh, a former student of the 08DKB class, is currently Chairman of the Board and CEO of Ngọc Châu Á Company, sharing his insights.

Bùi Trần Thu Hà, a former student of class 18DKB03 and the former president of the Valuation and Real Estate Business Faculty during the sixth term, is currently the Head of Project Development at DKRA Living Joint Stock Company. She has shared her insights on the direction for the new term.

The conference also connected with alumni in the Northern and Central regions through the MSTeam platform. The alumni group participated in the conference and listened to the proposed activities and directives for developing the alumni network in these two regions. Associate Professor Dr. Nguyen Minh Ngoc also discussed and outlined bilateral cooperation initiatives between the department and businesses where alumni are currently working and operating.

Associate Professor Dr. Nguyen Minh Ngoc shared at the conference.

Attending the conference, Dr. Nguyen Thanh Hai, Head of the Student Affairs Department and a member of the Alumni Liaison Committee at UFM, made remarks to guide and contribute to the direction of activities for the department's alumni liaison in the upcoming term.

The conference discussed and introduced the Alumni Liaison Committee for the Valuation and Real Estate Business Faculty for the term 2024 - 2028, which consists of 15 members. The committee will be led by Associate Professor Dr. Nguyễn Minh Ngọc, Deputy Head of the Department, while MA. Đặng Hòa Kính, a lecturer in the department and Secretary of the Youth Union, will serve as the Deputy Liaison Officer. The committee includes faculty members and alumni who are currently working at the university, as well as former students from all three regions of the country. All members of the Alumni Liaison Committee are actively engaged in various enterprises and organizations within the fields of valuation and real estate business.

Dr. Nguyen Thanh Hai presented flowers to congratulate the Alumni Liaison Committee of the Valuation and Real Business Department for the term 2024-2028.

The conference introduced seven members of the departmental alumni liaison committee who will participate in the second conference of the university-level alumni liaison committee for the term 2024-2028.

The conference marks the beginning of a new term for the Alumni Liaison Committee of the Valuation and Real Estate Business faculty. This committee will serve as a bridge for collaboration between the department, alumni, and businesses, fostering comprehensive and effective development in the future. We hope that the Alumni Liaison Committee for the Valuation and Real Estate Business faculty for the term 2024 - 2028 will introduce many innovative initiatives, maintain strong connections among generations of alumni, and contribute to the growth and success of both the department and the university.
