

## **CEREMONY OF COOPERATION AGREEMENT BETWEEN UFM AND 6 VALUATION - REAL ESTATE COMPANIES**

On the afternoon of November 29, 2023, the University of Finance and Marketing held a ceremony to sign cooperation agreements with various organizations and companies in the fields of Valuation and Real Estate. The event was conducted with great formality and significance.

Accordingly, six companies, including RealPlus Joint Stock Company, Vietnam Asset Valuation Technology Company – FastValue, Viet Value Valuation Joint Stock Company, SAG Valuation Company Limited, Sunvalue Valuation Group Limited, and Thien Khoi Group Joint Stock Company, proceeded to sign cooperation agreements with the University.

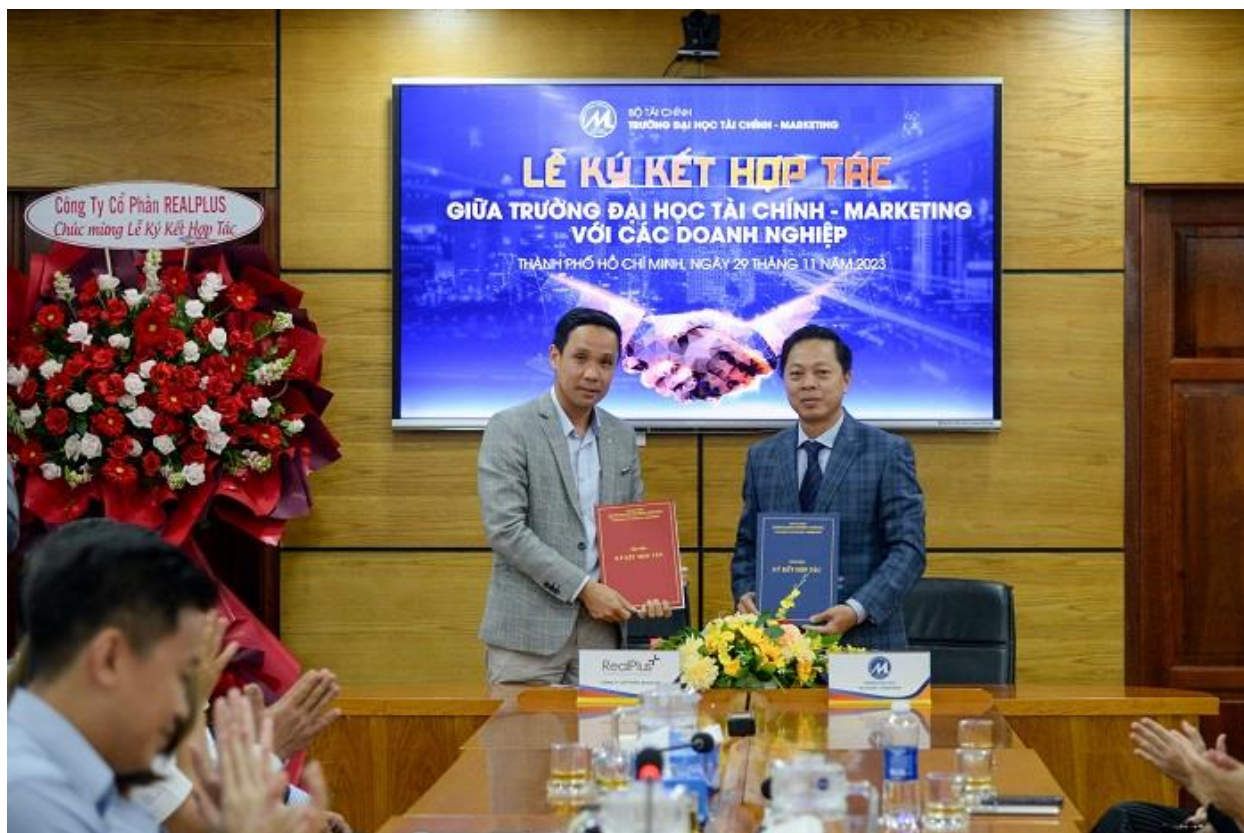

*Dr. Le Trung Dao, the Vice President of UFM, gave a speech at the ceremony.*

*Associate Professor Dr. Nguyen Minh Ngoc, Deputy Head of the Faculty , in charge of the faculty of Valuation - Real Estate, announced the content of the cooperation agreement.*

The companies and UFM will collaborate to organize programs and activities aimed at enhancing the quality of training, sharing, and learning from each other's experiences. At the same time, the companies will prioritize the internship and practical training opportunities for UFM students in general and students of the faculty of Valuation - Real Estate in particular, supporting them in their comprehensive development.

At the signing ceremony, the parties also discussed specific contents outlined in the memorandum of cooperation and expressed hope for early implementation in the near future. Notably, most of the companies signing the cooperation agreements this time are alumni of the Faculty of Valuation - Real Estate, who have returned to the University to accompany the students of the department and the University on the upcoming journey.
